FEWEST GAMES LOST IN A SINGLE SEASON

The record also belongs to the Binghamton Whalers as they suffered only 20 losses during the season breaking the old mark of 21 games set by the New Brunswick Hawks during the 1982-83 season.

FEWEST LOSSES AWAY IN A SINGLE SEASON

It only stands to reason that the Whalers, who set a new mark in wins on the road, would also grab the record for the fewest losses on the road. The Whalers lost only 12 games away from the Broome County Arena and that is three better than the old mark of 15 held by the Nova Scotia Voyageurs in 1976-77.

MISCELLANEOUS NOTES

In the final count the Southern Division teams fared better against the Northern Division teams than the reverse but not by much. The South posted a 95-90-18 mark in games against the Northern Division.

The League lost only one game to weather problems last year. The Baltimore at St.Catharines game scheduled on Saturday, January 19th, was postponed due to the heavy snowfall in the Niagara Falls area. The game was played on March 5th and was the 6th straight win in the Skipjacks record-setting streak of 12 straight.

\$ \$ \$ \$ \$

The Skipjacks 12 straight without a tie and the Amerks 11-0-0 streak from the start of the season highlighted the streaks recorded during the season. The Amerks 11-0-0 streak from the start turned out to be the longest with ties as they tied their 12th game and then lost.

Hershey with an 0-9-1 mark and three teams, Moncton, New Haven and Springfield each streaked to 0-7-0 marks shared the longest winless streaks of the season.

On home ice the Moncton Golden Flames ended the season with an 11-0-2 mark and Rochester with an 8-0-0 mark for the best streaks with and without ties at home. St.Catharines (0-6-1) and Hershey and Moncton each who lost four straight shared the longest winless streaks at home.

As one might expect the Skipjacks set the best streak mark on the road. Nine of their record 12 straight were on the road.

On the winless side of the away stats Fredericton went 0-16-1 for one streak while Springfield ended the season with an 0-12-0 mark.

\$ \$ \$ \$ \$

Paul Gardner of Binghamton highlighted the player streaks for the 1984-85 season. Gardner, who had several streaks during the season recorded the longest with a point or more. Gardner scored 16 goals and 24 points getting one or more of them in 18 straight games.

Norm Aubin scored at least one goal (a total of nine) in eight straight games and teammate Raimo Summanen recorded at least one assist (total of nine) in seven straight games.

ALL-TIME RECORDS BROKEN DURING THE 1984-85 SEASON

MOST POINTS IN A SINGLE SEASON:

Paul Gardner of Binghamton scored 51 goals and 79 assists for a total of 130 points in 64 games surpassing the old mark of 125 points set by Ross Yates of Binghamton during the 1982-83 season. Yates scored 41 goals and 84 assists in 77 games.

Gardner also joined the 50-goal scorers list becoming only the 21st player in American Hockey League history to score 50 or more goals in a single season.

MOST PENALTY MINUTES ALL-TIME:

Dave Allison of Nova Scotia collected 175 minutes in penalties during the 1984-85 season and that hiked his career total to 1283 leaving him in fifth place on the all-time list. Ralph Keller with 1,269 and Roger Cote with 1,262 dropped to sixth and seventh place respectively.

Archie Henderson, also of Nova Scotia, upped his career total to 1,232 and eighth place on the all-time list.

MOST WINS ON THE ROAD IN A SINGLE SEASON

The Binghamton Whalers won 24 games on the road and that eclipsed the old mark of 22 held by the Cincinnati Swords set during the 1971-72 season when the teams played 38 away games. The old mark set in the current 40 away game schedule was 21 set by New Brunswick in 1979-80.

MOST POINTS AWAY IN A SINGLE SEASON

The Binghamton Whalers added this mark to their credit along with the most wins. The Whalers collected a total of 52 points (24 wins, 18 losses and 4 ties) which is four points better than the 48 recorded by Cincinnati in 1972-73.

MOST CONSECUTIVE GAMES WON (NO TIES)

The Baltimore Skipjacks made shambles of this mark winning 16 straight games from February 23 to March 23, 1985. The old mark of 11 straight games was held by the Cleveland Barons and was set in 1943-44. The Rochester Americans tied that mark this season as they won their first 11 straight games.

MOST CONSECUTIVE GAMES WITHOUT BEING SHUTOUT

The Fredericton Express and St. Catharines Saints provided the drama in this category during the 1984-85 season. The Express started the season two games short of the 169 game record set by the Richmond Robins from the 1973-74 season through the 1975-76 season. The Express tied the record two games into the season and kept the streak going to 232 games. A 3-0 setback at Adirondack on March 3rd ended the streak.

Meanwhile the St. Catharines Saints started the season nine games short of the record as they had not suffered a shutout in their first seasons in the American Hockey League. When the Express streak stopped 232 games this gave the Saints a clear shot at the mark. They fell one game short as the Saints suffered a 9-0 loss to Nova Scotia on March 23rd ending their streak at 231 games without being shutout.
